ICONIC DOVER SHORES GEM!

An iconic single story view home in Dover Shores! One of two homes located across from Galaxy Park with open views that extend over the Back Bay to the city lights at Fashion Island. Situated on a large 9,800+ sq. ft. corner lot with cul-de-sac driveway access, this pristine single-story residence is both an incredible move-in ready home or ideal site for a new luxury build. Mature landscaping, brick accents, and double Dutch-door entry foster curb appeal beyond reproach while an expansive lawn that envelops the home creates an inviting setting for watching memories unfold. Measuring more than 3,300 square feet, the home encompasses 4 bedrooms, 2.5 bathrooms, formal and casual living spaces that are bright and cheery with an abundance of storybook windows and doors leading to the backyard. Handsome crown molding, custom millwork, built-ins, and updated hardware are evidence of the home's quality craftsmanship while an abundance of storage, a designated laundry room, and large bedrooms speak to its practical design. The master suite is equally impressive featuring a built-in media cabinet, peaked ceilings, oversized bathroom with private entrance, and access to the solar-heated pool/spa and surrounding patio. Additional highlights of this one-of-a-kind landmark property include access to three private beaches and association facilities, award-winning Mariners Elementary and Newport Harbor High schools, and a central location convenient to beaches, freeways, airport, shopping and dining.
